

Landlord Commission List

Full Management - 10% of the gross monthly rent for family/professional lettings.
11% of the gross monthly rent for student lettings.

NB this fee is for all day to day management of the property, tenancy and any void period. Any additional work that is deemed outside normal day to day management may incur an additional flat fee e.g. project managing a refurbishment of the property. This will be agreed based on the extent of the works required with the Landlord directly case by case.

Due to the increased compliance and time-consuming nature of student lettings we have had to increase our fee on student lettings above our family/professional lettings.

Portfolio landlords (4+ properties) will be entitled to a 1% discount on their full management fee.
